eCourse in Effective Grant Writing in Public Health

This course is offered by PHFI Centre for eLearning

An eLearning Programme for Health, Medical & Development Professionals

Indian Institute of Public Health Gandhinagar
The course will provide detailed description of how an individual/organization can successfully apply for grants from national and international agencies. The course will provide a broad framework for participants to learn how to write a successful proposal. Course will also assist participants to learn skills to arrive at specific research/program goals within the desired time frame.

The course will provide understanding of various grant writing terms, potential sources for grant writing and generic grant writing guidelines. Curriculum includes training for development of a grant proposal and concept note in a structured manner. Content of the course also provide basic understanding of developing activity based budget for grants.

This is a three month ecourse offered in eLearning mode. The program will be based on a combination of online lectures (asynchronous), electronically submitted assignments, recommended readings and interaction with faculty as and when required.
